

Film4Crash

new

The smart film to protect a car from all weather influences after removal of doors or broken windows!

- Colad Film4Crash is a tough, flexible, self-adhesive plastic film to protect openings from weather influences
- You can simply seal a car after collision, dismantling or vandalism
- Colad Film4Crash is UV resistant for at least 6 months. This means that

you will not face any discolor of the interior of the vehicle

➤ After removal all adhesive comes off with the film and does not transfer to the surface

➤ Colad Film4Crash can be applied on new cured paint
